

■ Centralized Startup Supporting Organization: Growing Industries Support Office(GISO)

▪ Establishment of GISO

May 2019, MUFG established GISO in Tokyo and Osaka to provide integrated support for startup companies.

▪ Provide services correspondent to each startup's phases

GISO works with MUFG group companies to provide various services and solutions tailored for each startup correspondent to its growth phases.

■ Major startup supporting activities

▪ Rise Up Festa

We have a business support program for startups engaging in new businesses. Award-winning companies receive a variety of privileges, including business support funds.

Rise Up Festa

▪ Business Link "Shobai Hanjyo"

We have the large-scale "Business meetings" to provide business matching services to our customers, and had four times in Osaka. In December 2019, we gave the opportunities for startups to introduce their business to our customers by "Stage Pitch".
