

# SAKAI BUSINESS INCUBATION CENTER INC (S-CUBE)

Support startup business and activity base (Providing Knowledge, Community and Incubation)

## ■ Startup Creating Base

### ▪ What is S-CUBE?

S-CUBE is an organization which was established by Sakai city, government, and the Sakai Chamber of Commerce and Industry to activate the local industries by creating new business.

Since establishment, we could do hands-on startup support more than 200 users, 90% of them are still continuing the business. Also we could support 2000 users through seminars.

S-CUBE is the most active startup business support organization in South-Osaka. (Located Sakai city, Nakamozu.)

### ▪ Nakamozu Area is multi support base for creating startup business.

Around Nakamozu area, not only S-CUBE, but there are also the Sakai Chamber of Commerce and Industry, Sakai City Industrial Promotion Center which is strong about supporting manufacturing, and Japan Finance Corporation close to each others. And Osaka Prefecture University is located near these facilities. These facilities can support startup business field at each stages.

## ■ Main Activities

### ▪ Providing Startup Activity Base

We can provide activity bases to meet the users' needs such as Wi-Fi equipped open space, co-working space, 3-50m<sup>2</sup> offices, 30-80 m<sup>2</sup> laboratories, meeting space, conference room, business talk room, event space.

### ▪ Providing Knowledge

We can provide the useful knowledge for startup business such as personal management consultation, management practice lectures about accounting, labor and market development, seminars of marketing, capital policy and law to draw up a business strategy etc... Also office and laboratory users can use hands-on support by incubation managers. It enhances users to continue business.

### ▪ Creating Community

Through varieties of events (Business plan contest, pitch event, Ideathon etc...), we can facilitate the communities among users and develop an atmosphere conducive to creating startup business.
