

Knowledge Capital Association

Providing “Fields” and “Learning Programs” for Startups

■ Knowledge Capital - A Field for Creating New Values

A core facility of an urban multi purpose complex, Grand Front Osaka. Through fusion of human creativity and technology, Knowledge Capital promotes creation of Knowledge Innovation with the concept of generating new value by exchange of various knowledge. As a one-stop ecosystem, it provides 4 functions, which are to “gather”, “exchange”, “create” and “showcase”.

【 Unique Activities 】

- Gathering Highly Talented Human Resources**
Corporations, Artists, Creators, Startups, Freelancers, Local Government, Government Bodies, Universities, Research Institutions
- Hosting Networking/Business Matching Events**
About 1,000 events every year (including ones organized by Knowledge Capital participants)
- International Partnership**
- About 460 international delegations from 80 countries visited Knowledge Capital (since 2013)
- 16 international partners (Hong Kong, Taiwan, China, Korea, Thailand, France, Austria, Poland)
- Hosting 3 Knowledge Capital Awards**
