Japan Finance Corporation (JFC) Contributions to Strategic Fields of Growth, etc.

Major Business Operations of JFC

JFC is a policy-based financial institution that aims to complement financial activities carried out by private financial institutions and contributes to the improvement in the living standards of Japanese people.

Operations to Facilitate Crisis Responses and Specific Businesses Promotion, etc.

 Providing a certain credit to designated financial institutions at the occurrence of crises certified by the competent ministers, such as domestic or international financial disorder, large-scale natural dissisters, and other similar events.
Providing loans to designated financial institutions based on the Low Carbon Investment Promotion Act.
Providing loans to designated financial institutions based on the Industrial Competitiveness Enhancement Act.

Contributions to Strategic Fields of Growth, etc.

We are working on discovery and support for regional venture companies by holding information exchange events and presentation events for venture support in local areas in cooperation with regional venture support institutions. The Micro Unit has established business start-up support center and business support plaza in Osaka. Through these facilities, we support a wide range of business start-ups and others attempting to start a second business.

Support for overseas investment

The SME Unit provides active support for the overseas expansion of SMEs, such as providing Loans for Overseas Investment and Expansion, supporting the local currency denominated fundraising by SMEs' overseas subsidiaries and branches through the Standby Letter of Credit Program, offering management consulting services and holding business network meetings abroad.

• Support for new expansion by agricultural, forestry, and fisheries businesses.

Advisors in the fields of agriculture, forestry, and fisheries respond to consultation requests from customers concerning all aspects of their business management.
