👤 EventHubを使う3つのメリット 👤

1. 🖥️ ウェビナー・イベント運営、MA連携も簡単!!

イベント運営に必要な機能を1つのツールで完結できます。擬似ライブ機能を活用して当日無人運営をすることも可能です。MA連携も簡単で、イベント後の他部署への連携もスムーズに。

2. 🎯 売上に繋がるリード・商談を獲得できる

詳細な行動・視聴ログが取得可能なので、リードの温度感（HOT・COLD）を判別できます。イベント前後に顧客と対話ができる機能を活用することで、スムーズに商談化に繋げることも可能です。

3. 🏆 顧客エンゲージメントを高める。イベントの効果を最大化

動画の一方的な流しっぱなしは離脱・満足度の低下に繋がります。主催企業のブランディング・世界観を表現し、顧客が飽きない体験設計をすることで離脱率が低下し、参加者満足度が上がります。

How to Invite Colleagues (Optional)

Using the “Invite Colleagues” feature, you can easily link other members from your company (who will participate in the event) to your online booth.

What is “Invite Colleagues”?

After the event secretariat links the designated representative of each exhibitor to the company page, you can manually invite other colleagues from the same company who will be participating on the event day and link them to the same online booth. By using this feature, you can increase opportunities for business matching.

How to Invite Colleagues

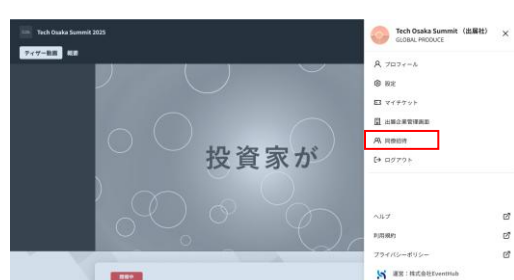

Log in and proceed to setup

After logging into the event page, go to the “My Page” tab and invite colleagues from your company who will be exhibiting at the event. (Optional)

*The event secretariat will pre-link one main representative per company to the company page prior to distribution.

1 Log in to the event page

2 Click User Icon > “Invite Colleagues”

3 Enter the email address of the person you wish to invite and send the invitation

4 An automated registration form will be sent to the invited colleague via email

Exhibitor Guidelines

- Please take all trash home with you.
- No food or drink is allowed inside the venue.
- At least one person must remain at the booth during exhibition hours.
- Although Wi-Fi is available at the venue, the connection may be unstable. We recommend bringing your own mobile Wi-Fi device.
- No open flames or smoke effects are allowed.
- The organizer is not responsible for any accidents or injuries that occur during the event.
- The organizer is not liable for any injuries or damages to people or items caused by exhibitors (including their employees, agents, contractors, or vendors) while using the exhibition space, for any reason.
- Exhibitors are fully responsible for any damage caused — intentional or accidental — to the venue's buildings, equipment, or their own equipment, and must provide immediate compensation.
- If any dispute arises concerning the exhibitor's products or services with other exhibitors or third parties, the exhibitor shall bear full responsibility and costs for resolution. The organizer will not be involved in such matters, and the exhibitor must ensure the organizer is not impacted. If the organizer incurs any damage from such disputes, the exhibitor must immediately compensate for the loss.
- In the event of force majeure (e.g., natural disasters, pandemics, strikes, transportation delays, civil unrest), or any reason beyond the organizer's control, the event may be modified or canceled. The organizer will not be liable for any resulting damages or losses to exhibitors.
- The organizer and secretariat are not responsible for any trouble related to imitation of ideas or business negotiations during the exhibition. All exhibited content will be publicly accessible; legal protection must be handled by each exhibitor individually.
- Please note that event stage presentations may be recorded and distributed by media outlets.
- Exhibitors must arrange their own insurance coverage if necessary.
- Distribution of flyers or samples is only permitted within your own booth.
- As a general rule, all exhibited materials must be presented in both Japanese and English.

Items used in your booth on the day may only be brought in
by advance shipping or hand carry.

Vehicle delivery is not permitted, so please plan accordingly.

The use of carts/trolleys is not permitted inside Grand Front Osaka.
